

9-DAY ITINERARY:

FROM MICKEY TO MAGNOLIAS

DAYS 1, 2 & 3: ORLANDO

THEME PARK PARADISE: It's true Orlando is a magical place. No one is ever too old or too young to wear Mickey's ears or wave a wand and giggle in delight. For family fun, there are theme parks that tap into your love affairs with comic-book heroes and galaxies far, far away and leave you screaming at every free-fall and splashdown. I-Drive is 11 miles of sensory overload, such as the Wheel at ICON Park and WonderWorks. Disney Springs combines shopping, food, attractions, and live entertainment. A short ride from the bright lights are outdoor adventures such as 72-degree springs and airboat rides in the headwaters of the Everglades.

DAY 4: ST. AUGUSTINE (107 mi/172 km)

OLD WORLD MAJESTY: Founded in September 1565, St. Augustine is the longest continually inhabited European-founded city in the United States – more commonly called the “Nation’s Oldest City.” Stroll the narrow lanes, enter the many museums, and visit historic landmarks such as Castillo de San Marcos, Ponce de Leon’s “Fountain of Youth,” and the Oldest Wooden Schoolhouse. For 21st-century activities, consider family fun (a beach on the Atlantic), outdoor adventures (kayaking an inland waterway), golf (play where the pros play), fine dining (the fresh catch of the day) and shopping from colonial to chic.

DAYS 5 & 6: ST. AUGUSTINE TO GEORGIA'S GOLDEN ISLES (116 mi/187 km)

THE COLONIAL COAST: Head north from St. Augustine on I-95 to St. Simons Island, Georgia, where the shopping is grand, the food is fabulous and the beach is calling your name. Christ Church and Fort Frederica are just a couple of the excellent attractions that await you on this island. The Georgia Sea Turtle Center on Jekyll Island is dedicated to the education and rehabilitation of turtles on the east coast. The Center has displays, turtle tanks and a surgery suite designed so that visitors can watch procedures live. While on Jekyll, be sure to take a tram tour of the historic district, once the playground of the American aristocracy. You'll also enjoy lounging on beaches surrounded by sand dunes and sea grass...not hotels and condos.

DAY 7: GOLDEN ISLES TO SAVANNAH (87 mi/140 km)

TOUR THE TOWN: Get to know Georgia's oldest city by experiencing a city tour, either on a period-style trolley or any number of walking tours, Segway tours, or even by horse and carriage. You'll see some of Savannah's hundreds of restored buildings, such as the home of the founder of the Girl Scouts, Juliette Gordon Low, and the Mercer-Williams House, where the events described in the book "Midnight in the Garden of Good and Evil" played out. Stroll along River Street this evening and dine on some of the local seafood specialties or take a dinner cruise on the famed Georgia Queen riverboat. There's always live music throughout the Historic District, and Savannah is one of the few cities in America where you can walk on the streets with your libation in hand.

DAY 8: SAVANNAH

STROLL THE STREETS: Today, be sure to wander through a few of Savannah's 22 squares, designed by James Oglethorpe in 1733 and filled with statues, fountains, and lush vegetation. Tour some of the city's historic homes and learn about Savannah's past, Civil War history and magnificent buildings spanning three centuries of architectural styles. If you're interested in shopping, City Market and Broughton Street are known for their quaint boutiques and galleries. Tonight, discover why Savannah has been designated "America's most haunted city." Whether on foot, by trolley or even an open-topped hearse, you're sure to get into the "spirit" of Savannah before tomorrow's departure. Or check out some of the city's amazing rooftop bars. A beautiful view, a light breeze and a fantastic cocktail are the perfect recipe for relaxation.

DAY 9: TYBEE ISLAND

CATCH A WAVE: Just a short, scenic drive from historic Savannah, Tybee Island is one of the most quirky and colorful beach towns in America, where coastal charm meets laid-back beach vibes. This three-square-mile enclave is jam-packed with hyper-local shopping, dining and lodging opportunities, bike trails, white sand beaches and sunset-crowned saltwater marshes. Whether dining, shopping, sunbathing or paddleboarding, Tybee Island is an ideal getaway any time of year.
