DINING

Savannah's culinary scene is full of charm and flavor. Start your day with a rich cup of coffee at **Gallery Espresso**, then enjoy satisfying meals at **Six Pence Pub** or **Common Restaurant**. Don't forget a sweet finish with a scoop of classic southern ice cream at **Leopold's**.

SHOPPING

Whether you're browsing unique local finds or splurging at high-end retailers, **Savannah's Design District**, **City Market**, and **Broughton Street** turn every corner into a treasure-filled experience.

Sipping on the Go? (Here's what you need to know!)

In Savannah, the before, during and after cocktail is just part of the vibe. Thanks to our open-container law, you can take your sips on the go in the Historic District, from River Street to Jones Street. Just make sure your drink is in a 16-ounce or less plastic or aluminum to-go cup, and you're good to go!

NIGHTLIFE

When the sun sets, Savannah comes alive. Step back in time with a visit to **Congress Street Up**, sip expertly crafted cocktails at **Alley Cat Lounge** or **Artillery Savannah**, or head to **Bar Julian**—one of Savannah's rooftop bars—to enjoy breathtaking city views. Whether you prefer a cozy lounge or a lively rooftop, evenings in Savannah promise unforgettable experiences.

HIDDEN GEMS

Savannah is full of hidden gems. Snap a photo with the charming **Waving Girl** statue, discover the historic **First African Baptist Church**, and explore the elegance of the **Owen-Thomas House**. Immerse yourself in creativity at **SCADstory**, where art and stories come alive, and explore the wonders of the **Savannah Pirates & Treasure Museum**. Each stop offers a unique glimpse into Savannah's rich history.

As our special guest, we're helping you save big at some of the most popular attractions, restaurants and experiences all around Savannah!
