

HOW TO ADD A PASS TO YOUR HOMESCREEN

Android - Chrome (Default)

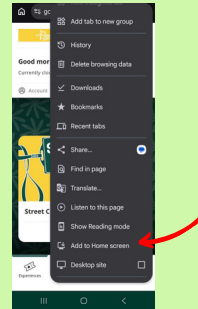

1 Open the Chrome Menu

To the right of the address bar, tap **More** (:) to open the Chrome menu. If you don't see the icon, scroll and it should appear next to the search bar.

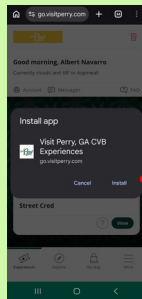

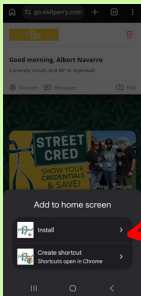

2 Tap "Add to Home Screen"

Scroll down in the menu and tap **"Add to home screen"** or **"Install App"** – the label may vary by device or Chrome version.

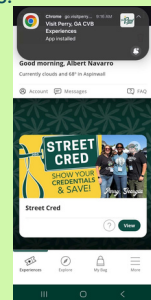

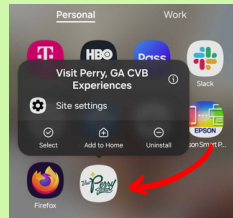

3 Select "Install" or "Shortcut"

A prompt will appear – select **"Install"** or **"Create Shortcut"** depending on your device's options

4 You're Finished!

Your pass will now appear on your Home Screen just like all your other apps. Tap it anytime for instant access.

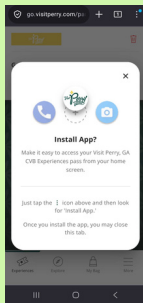

HOW TO ADD A PASS TO YOUR HOMESCREEN
